Sorry Nick, we don't have cover at this time. I doubt we will have it by tomorrow, but we will send it when it is final.

Hi – any update on the cover? Our participateIJC site is live tomorrow, and although the report is not out – we would like to post the cover with the text “coming soon” rather than a B&W placeholder.

Thanx

Nick

Hi Nick - at this time, we don't have a final cover available; it's still a work in progress.

We'll try to get back to you as soon as possible.

Thanks,

Carla

Hi Dan,

I am wondering if you would have a fairly high res image of the final cover of the PROP available that I could use in some promotional printed materials – they will not be made public until after the report is issued on the 15th(?), but in terms of printing, I would be good to have in advance, given the timelines to print.

Thanx

Nick
